Every child is known and loved

Letter from the Headteacher

Dear Prospective Candidate

Thank you for your interest in this exciting opportunity to join St Gregory's Catholic School at a pivotal and energising moment in our journey.

St Gregory's is a school with bold ambition and a clear moral purpose. Rooted in the Gospel and inspired by our patron, St Gregory the Great, our vision is simple yet profound: every child is known, loved and called to greatness. We believe deeply in the dignity of every young person and in the transformative power of education to shape lives of purpose, service and excellence.

Over recent years, we have raised expectations, restored high standards and strengthened our culture. We are now building something exceptional: a Christ-centred school characterised by compassionate ambition, a place where warmth and care sit alongside challenge, scholarship and joy. We are determined to become a nationally recognised model of what a non-selective Catholic school can achieve.

At St Gregory's, we form young people of integrity, empathy and vigour. We expect our students to think deeply, act responsibly and strive for excellence in all they do - academically, creatively, spiritually and competitively. In return, we provide a rich curriculum, diverse opportunities and a culture of belonging where every student is supported to flourish and discover their vocation.

We place exceptional value on relationships. To truly know each child is not a slogan, but a daily commitment. Clear expectations, strong routines and a calm, purposeful environment allow students to be themselves with confidence, to take responsibility for their actions, and to grow into resilient, reflective and compassionate young adults.

Our Catholic life is at the heart of the school. Prayer, reflection and collective worship shape the rhythm of each day, offering space for encounter, meaning and formation for all members of our community, whatever their personal faith background. We are proud to be a Catholic school that is inclusive, outward-looking and deeply human in its mission.

By joining St Gregory's, you will become part of a professional, committed and forward-thinking team who believe passionately in education as a vocation. We invest in our staff, value professional growth and welcome colleagues who are excited by challenge, inspired by young people and aligned with our vision for greatness.

We would be delighted to explore how your skills, energy and values could contribute to the next chapter of St Gregory's, a school where you can inspire and be inspired, and where your work will truly matter.

Thank you for considering St Gregory's Catholic School.

Yours sincerely,

Mike Wilson
Headteacher

About St Gregory's Catholic School

St Gregory's Catholic School is a Catholic secondary school and part of the Kent Catholic Schools' Partnership (KCSP). KCSP is a multi-academy trust (MAT) established by the Archdiocese of Southwark for Catholic education across Kent and it currently comprises 28 academies of which 23 are primary schools and five are secondary schools.

A seven-form entry secondary school located in Tunbridge Wells, St Gregory's is a popular destination for pupils from its Catholic partner primary schools in Tunbridge Wells, Tonbridge and Sevenoaks. As an inclusive academy, its dedicated staff, helpers and governance committee members work hard to ensure that every student is supported and challenged to be their very best. Each individual is encouraged to grow spiritually and intellectually, so that unique and positive contributions can be made to society and the world.

In its most recent denominational inspection in June 2024, St Gregory's was judged as 'Outstanding' for Catholic Life and Mission and 'Good' for both Religious Education and Collective Worship and, in its latest Ofsted inspection in October 2024, the school was judged as 'Good' in all areas. At the heart of the report is recognition of the school's mission to ensure that 'every child is known and loved' inspectors highlighted a "warm and welcoming environment", where students feel valued, supported and able to thrive.

School vision and values

Our Vision

We provide every student in our care with a world-class Catholic education, welcoming them into our inclusive and caring community in which **every child is known and loved**.

We teach students to understand their own unique value and dignity, so they may recognise and realise their God-given potential and, inspired by the life of St Gregory, we empower them to approach the opportunities of their education with vigour. We aim for our students to adopt the role of servant leaders, acting with empathy and integrity to make unique and positive contributions to society and the world.

St Gregory's ALIVE values:

Ambition

Rooted firmly in Catholic teachings, we aim to nurture and guide our students to fulfil their God-given potential so they may achieve success. We support this by providing extensive opportunities in our students' education that include academic, co-curricular, personal and relationship guidance, as well as providing strong role models and teaching moral and ethical values.

Leadership

We strive to be a community of servant leaders, where individuals gain a clear sense of self and purpose, knowing their values and using these to guide how they enrich the community in which they belong.

Integrity

We teach our students to value honesty and have strong moral principles, using their discernment to govern their actions and take responsibility for their choices.

Vigour

Inspired by the life of St Gregory, we empower our students to work with vigour, so they approach all activities and opportunities with effort, energy and enthusiasm.

Empathy

We aim for our students to understand and value the feelings of others and for them to know they are loved and celebrated irrespective of their differences. We also give them the confidence to celebrate their own differences.

School intent statement

Our school is a community centred on the Catholic ethos that strives for excellence, and teaches students the knowledge, skills and attributes they require to be effective 'life-long learners'. Students are happy and fulfilled, because they are nurtured in an environment where they are cared for, known and loved, and encouraged to be unique individuals. We pride ourselves on educating students academically, morally and spiritually, to go out into the world as socially responsible and successful individuals who have a strong sense of how they will use their skills and talents to make the world a better place. We do this by providing a curriculum rich in knowledge and skills, focused on strong relationships which encourage shared values and mutual respect.

At St Gregory's we develop young people who think deeply, are knowledgeable and are informed because they understand how to learn and the value of learning. Students make and articulate informed judgements, hold discussions and show compassion and empathy that enables them to make considered decisions and partake fully in wider society. St Gregory's underpins the Kent Catholic Schools' Partnership vision of a rich, child-centred curriculum that fosters a love of learning.

Our ambitious curriculum carefully sequences learning, so that students learn and apply knowledge and skills which are enhanced further with an exciting diversity of enrichment activities. We strive to provide world-class opportunities for our students, and seek to develop the 'whole person'. Our carefully considered curriculum is well planned, well-structured and thoughtfully sequenced, so that long term learning builds. Memory is fundamental and is developed by students thinking hard to retrieve knowledge, spacing concepts and skills in each subject, and interleaving them throughout the curriculum.

With Christ's love at the centre of all that we do, our curriculum aims to develop young people who:

- Are happy and feel fulfilled
- Are curious, enjoy learning and have high expectations for themselves and are ambitious for their futures
- Act as positive role models, guiding others by example
- Can make and articulate informed decisions and take responsibility for themselves
- Approach activities with effort and commitment, showing resilience and perseverance
- Demonstrate respect, compassion and empathy towards the beliefs and values of others
