This policy sets out a model behaviour policy for schools in the Kent Catholic Schools' Partnership.

Section(s) 3, 4, 6-10, 12 and 14 set out the specific arrangements for each school.

1. Aims

This policy aims to:

- Create a positive culture with Gospel values at the heart that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the Gospel values of the school
- Outline the expectations and consequences of behaviour
- Provide a consistent approach to behaviour management that is applied equally to all pupils
- Define what we consider to be unacceptable behaviour, including bullying and discrimination

2. Legislation, statutory requirements and statutory guidance

This policy is based on legislation and advice from the Department for Education (DfE) on:

- Behaviour in schools: advice for headteachers and school staff 2024
- Searching, screening and confiscation: advice for schools 2022
- The Equality Act 2010
- Keeping Children Safe in Education 2024
- https://www.gov.uk/government/publications/school-exclusionSuspension and permanent exclusion from maintained schools, academies and pupil referral units 2023
- Use of reasonable force in schools
- Supporting pupils with medical conditions at school
- Special Educational Needs and Disability (SEND) Code of Practice

In addition, this policy is based on:

- Schedule 1 of the Education (Independent School Standards) Regulations 2014; paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy, and paragraph 10 requires the school to have an anti-bullying strategy
- DfE guidance, which explains that academies should publish their behaviour policy and anti-bullying strategy

This policy complies with our funding agreement and articles of association.

3. Catholic Values

As a Catholic school, the Gospel values are at the heart of our school.

The principles that guide the positive behaviour management policy are based around the school vision and its values:

School Vision
We provide every student in our care with a world-class Catholic education, welcoming them into our inclusive and caring community in which every child is known and loved.

We teach students to understand their own unique value and dignity, so they may recognise and realise their God given potential and, inspired by the life of St Gregory, we empower them to approach with vigour the opportunities of their education. We aim for our students to adopt the role of servant leaders, acting with empathy and integrity to make unique and positive contributions to society and the world.

School Values
Five values are embedded within the school vision. We believe that these values enable St Gregory's students to make unique and positive contributions to society and the world.

The key values are Ambition, Leadership, Integrity, Vigour and Empathy. They are referred to as the ALIVE values and are at the heart of the school's policy.

4. Definitions

    - Sexual comments
    - Sexual jokes or taunting
    - Physical behaviour such as interfering with clothes
    - Online sexual harassment, such as unwanted sexual comments and messages (including on social media), sharing of nude or semi-nude images and/or videos, or sharing of unwanted explicit content

    - Mobile phones
    - Smartphones and Smartwatches (Year 7 pupils only)

5. Bullying

Bullying is defined as behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally.

Bullying can involve an imbalance of power between the perpetrator and the victim. This could involve perpetrators having control over the relationship, which makes it difficult for those they bully to defend themselves. The imbalance of power may be physical, psychological, derive from an intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Prejudice-based and discriminatory, including: • Racial • Faith-based • Gendered (sexist) • Homophobic/biphobic • Transphobic • Disability-based	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality) or perceived characteristic
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps, gaming sites, devices or via images, audio, video, or written content generated by artificial intelligence (AI)

Where an allegation of abuse is made by a pupil against other pupil/s, the school follows the procedures set out in the Trust's Child Protection & Safeguarding Policy.

Details of our school's approach to preventing and addressing bullying are set out in our anti-bullying policy.

6. Roles and responsibilities

6.1 The local governance committee

The local governing body of each school is responsible for:

- monitoring the effectiveness of the school's behaviour policy and
- holding the Headteacher to account for its consistent implementation.

6.2 The Headteacher

The Headteacher is responsible for:

- Developing, reviewing and approving this behaviour policy and ensuring that it:
    - Provides a consistent approach to behaviour management
    - Defines what the school considers to be unacceptable behaviour, including bullying in the school as well as online
    - Outlines how pupils are expected to behave in general, as well as promoting their good behaviour for learning
    - Summarises the roles and responsibilities of different people in the school community with regards to behaviour management

    - Outlines the school's system of rewards and sanctions
- Ensuring that the school environment encourages positive behaviour
- Ensuring appropriate systems for filtering and monitoring, and cyber security are in place on school devices and networks
- Ensuring online safety is a running and interrelated theme while devising and implementing the school's approach to safeguarding and related policies and procedures, including understanding safety considerations and legal responsibilities where the school uses generative AI
- Routinely engaging with pupils, parents/carers and staff on setting and maintaining the behaviour culture and an environment where everyone feels safe and supported
- Ensuring that staff deal effectively with poor behaviour
- Monitoring how staff implement this policy to ensure rewards and sanctions are applied consistently to all groups of pupils
- Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to staff, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary
- Ensuring the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

6.3 Staff

Staff are responsible for:

- Creating a calm and safe environment for pupils
- Establishing and maintaining clear boundaries of acceptable pupil behaviour
- Implementing the behaviour policy consistently
- Communicating the school's expectations, routines, values and standards through teaching behaviour, and in every interaction with pupils
- Modelling expected behaviour and positive relationships
- Providing a personalised approach to the specific behavioural needs of particular pupils, including providing additional support to meet the school's behaviour expectations where a child has SEND
- Being alert to new and emerging online harms, including risks associated with AI, misogynistic or misandrist content, and financially motivated sexual extortion (sometimes called 'sextortion')
- Considering the impact of their own behaviour on the school culture and how they can uphold school rules and expectations
- Recording behaviour incidents promptly
- Challenging pupils to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

6.4 Parents and carers

Parents and carers are expected to:

- Get to know the school's behaviour policy and reinforce it at home where appropriate
- Support their child in adhering to the school's behaviour policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Take part in any pastoral work following misbehaviour (for example, attending reviews of specific behaviour interventions)
- Raise any concerns about the management of behaviour with the school directly, while continuing to work in partnership with the school
- Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

6.5 Pupils

Pupils will be made aware of the following during their induction into the behaviour culture:

- The expected standard of behaviour they should be displaying at school
- That they have a duty to follow the behaviour policy
- The school's key rules and routines
- The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- The pastoral support available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for pupils who are mid-phase arrivals.

7. School behaviour curriculum

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- Challenge and report behaviour that is discriminatory, harmful or disrespectful towards others, including behaviour influenced by prejudice, misogyny, misandry or harmful online content
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school or online

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all pupils can meet behavioural expectations in the curriculum.

7.1 Mobile phones

The school's mobile phone policy can be found here.

For Years 8 to 13:

Mobile phones are banned and if seen or heard, they will be confiscated immediately. Initial confiscation will result in a 30-minute detention at the end of that day and the phone being returned at the end of the day. Second violations will require parents to collect the phone from reception. Any repeated violations will result in the student being required to hand their phone in at the start of every day.

Any pupil who refuses to hand over their phone or walks away from staff will be considered as displaying defiance and this will result in a 90-minute detention the following day. Continued defiance may also result in a fixed term exclusion.

Confiscation

Any of the prohibited items listed, found in students' possession will be confiscated. These items will not be returned to students. When appropriate an item may be returned on collection by the parent. We will also confiscate any item which is harmful, detrimental or disruptive to school discipline or the safety of others. When appropriate these items will be returned after discussion with senior leaders and parents. Searching and screening students is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

For Year 7:

From September 2026, all Year 7 students will be part of a fully smartphone-free environment. This move supports national expectations and a coordinated town-wide approach among local schools to reduce peer pressure, improve wellbeing, and promote healthier habits around technology from the start of secondary education.

Confiscation

To ensure consistency and fairness, the following confiscation rules will apply to Year 7:

• **Smartphone or smartwatch brought onto school site**

30-minute detention the following day and the smartphone confiscated for 7 days

• **Dumbphone switched on or visible during the school day**

30-minute detention the following day and the smartphone confiscated until the end of the following day

8. Responding to behaviour

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the behaviour curriculum or their own classroom rules
- Develop a positive relationship with pupils, which may include:
    - Greeting pupils in the morning/at the start of lessons
    - Establishing clear routines
    - Communicating expectations of behaviour in ways other than verbally
    - Highlighting and promoting good behaviour

- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

8.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

8.3 Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations, and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

- Verbal praise for excellent work or attitudes, either personal or public
- Telephone/letter/postcard home
- Positive emails
- Certificates/awards given in assemblies
- Prizes
- Tutor group awards
- Positions of responsibility, such as prefect status or being entrusted with a particular decision or project
- Whole-class or year group rewards, such as trip and popular activities
- Pillar badges and House points

8.4 Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified, and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour sanctions in the future.

The school may use 1 or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand and reminder of the expectations of behaviour
- Sending the pupil out of the class to a specific location
- Setting of written tasks such as an account of their behaviour
- Expecting work to be completed at home, or at break or lunchtime
- Detention at break or lunchtime, or after school
- Loss of privileges – for instance, the loss of a prized responsibility
- School-based community service, such as tidying a classroom
- Referring the pupil to a senior member of staff
- Letter or phone call home to parents/carers
- Putting a pupil 'on report'
- Removal of the pupil from the classroom
- Suspension
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions, and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

8.5 Restrictive interventions, including use of reasonable force

Our approach to restrictive interventions follows the DfE's latest guidance on restrictive interventions.

Restrictive interventions are used to prevent, restrict, or subdue movement of the body or part of the body of a pupil. It describes both physical and non-physical actions aimed to restrain pupils in different ways.

Our staff understand that any form of force or restraint carries a risk of physical and psychological harm, so we always avoid using these measures where possible.

The school does not have a 'no contact' policy and will not grant any requests by parents or staff not to use reasonable force and/or other restrictive interventions.

Staff who are likely to need to use reasonable force and/or other restrictive interventions are adequately trained in its safe and lawful use and in preventative strategies.

You can view the school's restrictive intervention policy here.

8.6 Searching and confiscation

Searching, screening and confiscation is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed (in which case the member of staff will ensure the pupil understands the reason for the search and how it will be conducted so that their agreement is informed).

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil’s co-operation

If the pupil refuses to agree to a search, the member of staff will consider why this is. Reasons might include that they:

- Are in possession of a prohibited item
- Do not understand the instruction
- Are unaware of what a search may involve
- Have had a previous distressing experience of being searched

If a pupil continues to refuse to co-operate, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the headteacher or designated safeguarding lead (or deputy) to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desk or locker.

'Outer clothing' includes:

- Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip searches

The authorised member of staff's power to search outlined in section 8.6 above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C. Appendix 2 sets out the procedures that must be followed regarding strip searches.

8.7 Child-on-child abuse

We recognise that children are capable of abusing other children. Abuse will never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up," or "boys being boys," as this can lead to a culture of unacceptable behaviours, misogyny and an unsafe environment for pupils.

All child-on-child abuse is unacceptable and will be taken seriously.

Most cases of pupils hurting other pupils will be dealt with under this policy.

Where allegations raise safeguarding concerns, this will be managed under our safeguarding policy. Our safeguarding policy contains further information on how we prevent and manage incidents of child-on-child abuse, this can be found on the school website.

8.8 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school.

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

8.9 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

8.10 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, a member of the senior leadership team will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

8.11 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
    - Manage the incident internally
    - Refer to early help
    - Refer to children's social care
    - Report to the police

Please refer to our child protection and safeguarding policy for more information.

8.12 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

9. Serious sanctions

9.1 Detention

All staff have been authorised by the headteacher to give pupils detentions.

Pupils can be issued with detentions during break, after school or on weekends during term time.

When issuing a lunchtime detention, staff will allow reasonable time for the pupil to eat. Drink and use the toilet.

When issuing a detention outside normal school hours, the detention will be at any of the following times:

- On any school day where the pupil does not have permission to be absent
- On weekends during term, except a weekend during, preceding or following the half-term break
- On non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days', except if it falls on a public holiday, on a day which precedes the first day of term, during the half-term break, or after the last school day of the term

The school will decide whether it is necessary to inform the pupil's parents/carers.

When imposing a detention, the school will consider whether doing so would:

- Compromise the pupil's safety
- Conflict with a medical appointment
- Prevent the pupil from getting home safely
- Interrupt the pupil's caring responsibilities

If a student fails to attend a subject detention, then this will be escalated to a 30-minute afterschool detention for the following day.

If a student fails to attend an afterschool detention, then this will be escalated, the student will be given another chance and the student will attend a 60-minute afterschool detention the following day.

If a student fails to attend the escalated detention, then they will receive a 90-minute detention the following day.

If a student fails to attend the 90-min detention, then the pastoral team will communicate with parents and implement an internal exclusion the following whereby the students will be in isolation all day including break and lunchtime, and then the student will complete the 90 min detention at the end of the day.

9.2 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time.

Pupils who have been removed will continue to receive education under supervision of a member of staff. This education will be meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive
- Maintain the safety of all pupils
- Allow the disruptive pupil to continue their learning in a managed environment

- Allow the disruptive pupil to regain calm in a safe space

Pupils who have been removed from the classroom are supervised by a member of the pastoral team, SEND team or Senior leadership team, and will be removed for a maximum of one day.

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The school will consider what support is needed to help the pupils successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents/carers will be informed on the same day that their child has been removed from the classroom.

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- Meetings with learning coaches
- Use of teaching assistants
- Short-term behaviour report cards
- Long-term behaviour plans
- Pupil support units
- Multi-agency assessment

Staff will record all incidents of removal from the classroom in the behaviour log, along with details of the incident that led to the removal, and any protected characteristics of the pupil.

9.3 Suspension and permanent exclusion

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to the Trust's suspensions and exclusions policy for more information.

10. Responding to misbehaviour from pupils with SEND

10.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices (Equality Act 2010)
- Using our best endeavours to meet the needs of pupils with SEND (Children and Families Act 2014)
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As a part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measure will take into account the specific circumstances and requirements of the pupil concerned.

We anticipate and remove triggers of misbehaviour thought interventions such as:

- Short, planned movement breaks for a pupil whose SEND means they find it difficult to sit still for long
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload

10.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

10.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

10.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

Contact the SEND Enquiries Hub here for more information.

11. Supporting pupils following a sanction

Restorative strategies

Restorative approaches are a range of practices that help support students to develop the skills and attitudes necessary to build, maintain and repair community relationships. Restorative approaches are not a 'soft' option as pupils are obliged to be accountable and responsible for their actions and to learn from their behaviour and to change. Some of the benefits include, but not limited to:

- Support for pupils to develop social and communication skills.
- Formal and informal discussion to discuss difficult situations when there has been conflict.
- Restorative reintegration meetings after a suspension.
- Ongoing training and development for staff and pupils.

- Improved learning environments.
- Reduced number of suspensions.
- Less conflict between pupils and between pupils and staff.

Restorative practice allows for ownership of behaviour and conflict resting with those directly involved, who also retain responsibility for resolution of the difficulties. Restorative approaches help consolidate the school's existing commitment to personal responsibility, encouraging and empowering students to address issues for themselves.

Positive Behaviour Management strategies

Positive Behaviour Management is a supportive process with the aim of improving student behaviour and engagement in learning, promoting positive behaviour targets for a student to agree and focus on. Progress is monitored and reviewed with the student, staff and parents

Reintegration strategy - see section 9 of the Suspensions and Exclusions Policy

Following a suspension, the school will put in place a strategy to help the pupil reintegrate successfully into school life and full-time education.

Where necessary, the school will work with third party organisations to identify whether the pupil has unmet special educational needs and/or health needs.

12. Pupil transition

12.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

12.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

13. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The needs of the pupils at the school
- How SEND and mental health needs can impact behaviour
- Positive Behaviour Management systems Steps 1-2-3
- Rewards and Merits
- Use of Edulink and Arbor
- Ready Respect Safe
- Behaviour for Learning CPD programme
- Restraint

Behaviour management will also form part of continuing professional development.

14. Monitoring arrangements

14.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusions and suspensions
- Use of pupil support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the school behaviour culture for staff, pupils, local governance committee members and other stakeholders (via anonymous surveys)

The data will be analysed three times per year by the headteacher and presented to the local governance committee for monitoring.

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic.

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

The Trust will work with its schools to consider this data, and whether there are patterns across the Trust, recognising that numbers in any 1 school are often too low to allow for meaningful statistical analysis.

15. Links with other policies

This behaviour policy should be read in conjunction with other relevant policies and procedures.

Appendix 1: written statement of behaviour principles

- Every pupil understands they have the right to feel safe, valued and respected, and to be able to learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
- The behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in suspensions and exclusions
- Pupils are helped to take responsibility for their actions
- Families and carers are involved in the handling of behaviour incidents to foster good relationships between the school and pupils' home life

Violence or threatening behaviour will not be tolerated in any circumstances.

Appendix 2 - Strip searches procedure

The authorised member of staff's power to search outlined in section 8.6 above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

Communication and record-keeping

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least 1 of the pupil's parents/carers to inform them that the police are going to strip search the pupil, and ask them whether they would like to come into school to act as the pupil's appropriate adult. If the school can't get in touch with the parents/carers, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The pupil's parents/carers will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises, and monitor them for any trends that emerge.

Who will be present

For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the pupil's decision and it will be signed by the appropriate adult.

No more than 2 people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the pupil specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the pupil could be seen by anyone else.

Care after a strip search

After any strip search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched more than once and/or groups of pupils who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.
